

# Nowmade — Partner Forms

Content & field specification for the web developer

Broker · Landlord · Investor | Language: English | Prepared 14 July 2026

This document specifies the **form fields only** (labels, input types, options, required flag and submit button) for the three partner forms. Section headings, intro copy and confirmation messages are handled separately. Required column: ✓ = required, — = optional.

## 1. Broker — Become a Broker Partner

| # | FIELD LABEL                                 | TYPE     | OPTIONS / PLACEHOLDER                                                                                                                                              | REQUIRED |
|---|---------------------------------------------|----------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------|
| 1 | Full name                                   | text     | e.g. Alex Morgan                                                                                                                                                   | ✓        |
